

LAMP INSTALLATION INSTRUCTIONS

Please read carefully and save these instructions, as you may need them a later date.

CAUTION

Turn off the main power at the circuit breaker before installing the fixture, in order to prevent possible shock.

GENERAL

All electrical connections must be in accordance with local and National Electrical Code (N.E.C) standards. If you are unfamiliar with proper electrical wiring connections obtain the services of a qualified electrician.

Remove the fixture and the mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.

ASSEMBLY AND INSTALLATION

- 1, Put the Glass (GLASS SOLD separately) onto the Socket and screw with the Ring .
